

PARTNER FOR GROWTH

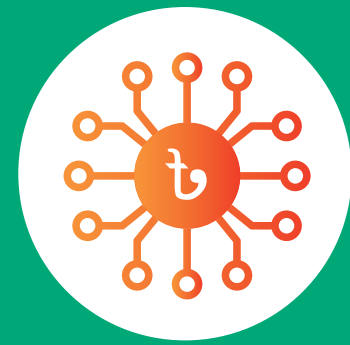

SSLCOMMERZ[®]

THE LARGEST
PAYMENT GATEWAY
IN BANGLADESH

EVERYTHING YOU NEED

With complete online onboarding, many cutting edge features, the easiest integration and best-in-class technical expertise, you can connect with SSLCOMMERZ and begin to accept digital payments.

PAYMENT GATEWAY

The most acceptable & renowned payment gateway in Bangladesh.

SAFE & SECURE

Payment security & fraud elimination are our priorities. We keep your customers' data secure while you can remain busy growing your business.

PAYMENT ON DELIVERY

Enables business to collect digital payments on delivery. Mitigates risk and keep payments secure.

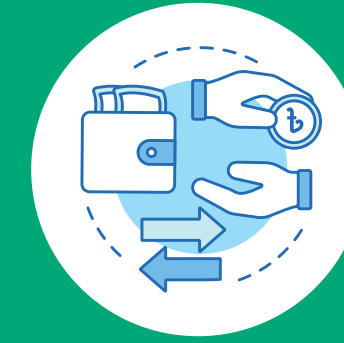

CAMPAIGN & PROMOTIONS

Design, configure & go live with campaigns in minutes.

SMART ROUTING

Switch transactions dynamically to ensure highest success rates.

PAYMENT LINKS

Send payment links with e-invoice through email, SMS, messenger, etc & immediately collect payments.

PAYMENTS THAT FIT YOUR BUSINESS

Accept all payment modes

Offer your customers the luxury of all payment modes including Credit/Debit cards, Internet Banking, MFS, and Wallets.

Online Activation

Get activated with SSLCOMMERZ payment gateway through complete online onboarding within the shortest time.

API & SDK Driven

Build your business for scale with our complete API-driven integration. Our SDK supports mobile apps integration for both iOS and Android platforms.

Easy Integration

With plugins for all major platforms and languages, integrate and go live with SSLCOMMERZ with minimum coding.

Dashboard and Analytics

Real-time data and insights on your SSLCOMMERZ Dashboard to make informed business decisions.

Secure

ISO 27001 & PCI DSS Level 1 certified along with a dedicated internal security team to make sure payment platform is always safe.

Best in Industry Support

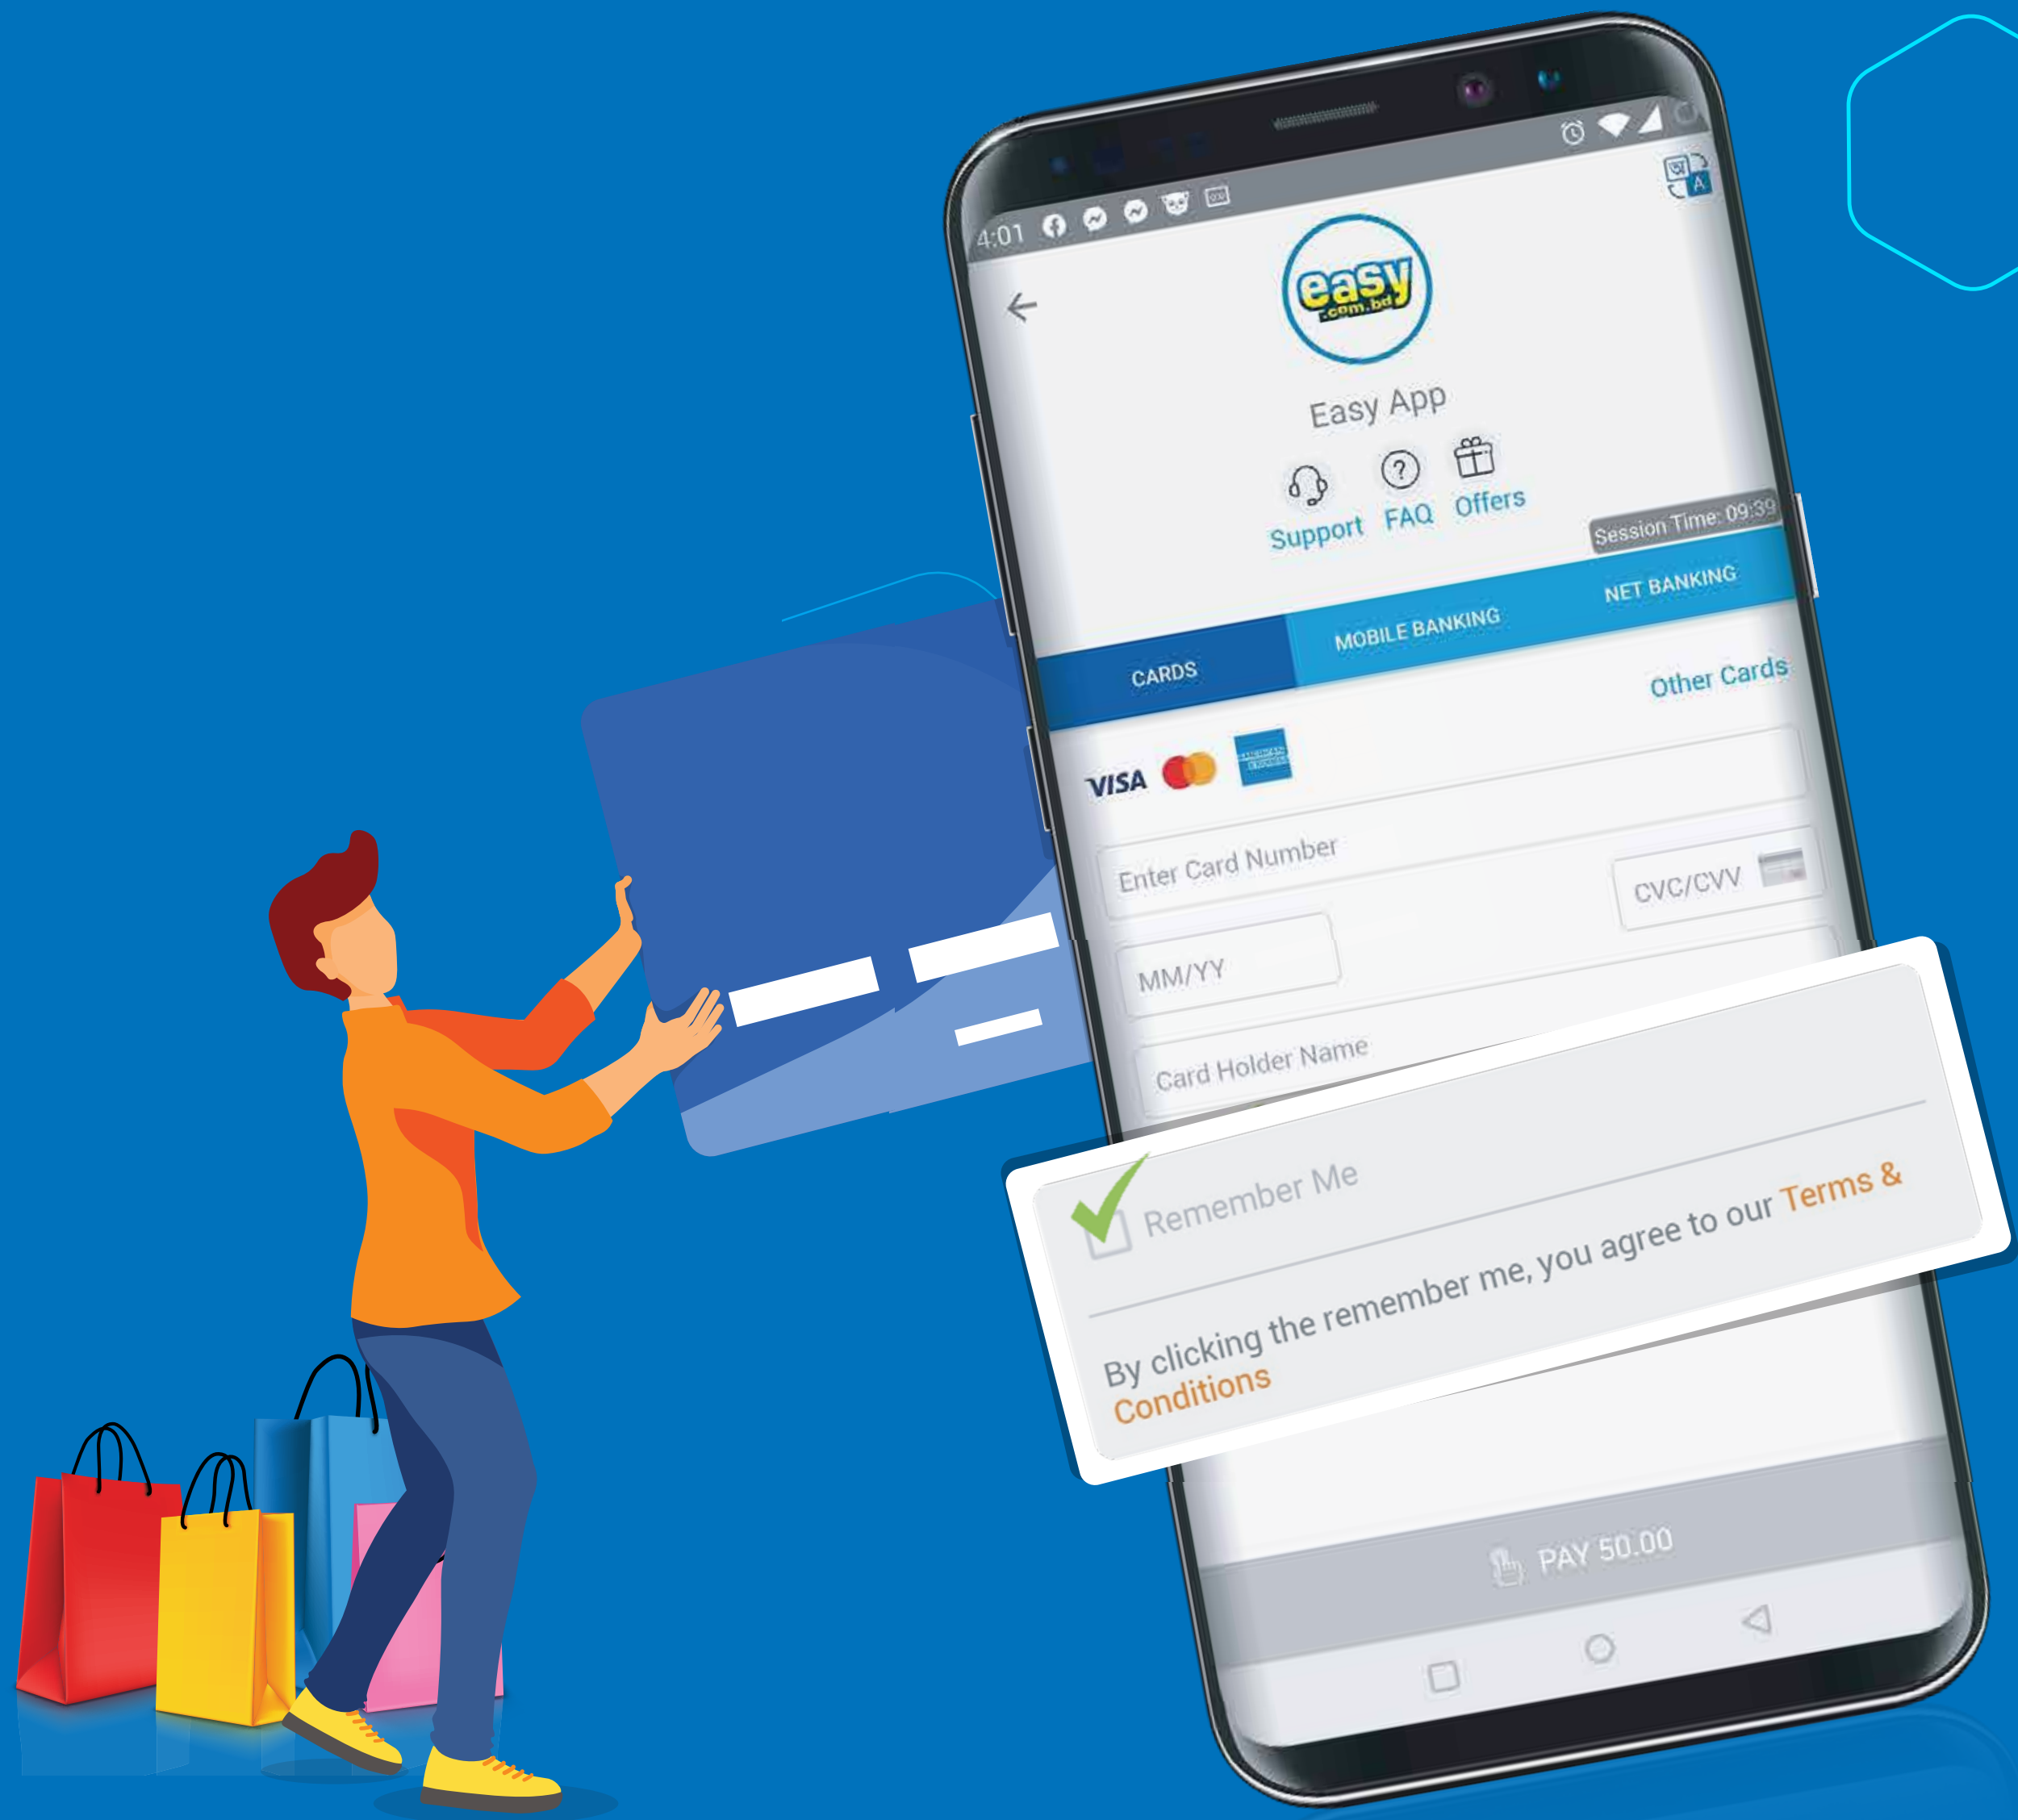

Always available over email, phone and chat to address your every concern.

Simple Pricing

Our pioneering payment solution comes with competitive rates.

EASY CHECKOUT & GLOBAL CARD SAVING

Easy Checkout with saved cards across businesses allows your customers to pay seamlessly everywhere.

Connected with all Payment Channels

POWER YOUR FINANCE, ENHANCE YOUR BUSINESS

Offer your customers EMI facilities of 18+ Banks with an entirely digital EMI process. Avoid carrying credit risks and continue incremental sales.

WE HELP TRANSFORM BUSINESSES

SSLCOMMERZ is tirelessly working every day to help businesses collect payments online from their customers in every way imaginable. We encourage entrepreneurs to step up and transform their businesses to come online through services and payment automation.

SSLCOMMERZ builds campaigns regularly for its merchants to motivate customers into paying online. Online payments help prevent the risks involved in cash-on-delivery. Streamlined, convenient payment processes minimize a merchant's expenses and maximizes profit.
